Themes

- **Go Gold for the Golden Globes:** Transform your space with a lavish golden scheme, mirroring the official Golden Globes palette.
- **Dress Like the Stars:** Encourage your guests to embrace the glitz and glam by dressing up in their most elegant attire or as their favorite characters from the nominated movies or TV series.
- **Barbie World:** Create decorations inspired by the nominated films and TV shows. For example, dive into a pink paradise with Barbie-themed décor! Invite attendees to don their favorite pink outfits or channel their inner Barbie or Ken, inspired by this year's film with the most nominations.

Activities

- **Voting Ballot:** Kickstart the excitement by predicting the winners on your voting ballots before the show begins and see how close your guesses are to the actual winners!
- **Party Playlist & Karaoke:** Let the music flow with a round of karaoke featuring this year's Best Original Song nominees in the Motion Picture category, or create a playlist featuring songs from the nominated films/TV shows. The official 81st Golden Globe Awards Spotify playlist can be listened to [HERE](#).
- **Red Carpet Moment:** No awards show is complete without a red carpet, so why not roll one out for your friends and family? Capture the essence of Hollywood by setting up a red carpet aisle runner or a Hollywood-inspired backdrop. Recreate the iconic glambot moments and share the glamor on Instagram or TikTok.

Food & Drinks

- **Themed Cocktails:** Design cocktails inspired by the nominated movies and TV shows. For example, create a "Flower Moon Fizz" or a "Barbie Pink Martini." Share the recipes with your readers.
- **Nobu Sushi:** Experience the culinary delights of the 81st Annual Golden Globe Awards by ordering takeout from Nobu Restaurants. For the first time, guests of the awards will enjoy an exclusive menu curated by world-renowned Chef Nobu Matsuhisa in partnership with Nobu Restaurants featuring Salmon Tartar with Caviar in Wasabi Soy, Sashimi Salad with Matsuhisa Dressing, Yellowtail Jalapeno, Black Cod Miso, a Trio of assorted Traditional Nigiri, and more.
- **Moët & Chandon:** As you celebrate the star-studded event, sip like the stars. At the 81st Annual Golden Globes, Moët & Chandon champagne will take center stage, featuring Moët Impérial Brut and Moët & Chandon Rosé Impérial. From sushi to sashimi salad and the signature dish, the texture and natural saltiness of the menu will accentuate the aromas and lightness of the champagne for an elegant and delightful pairing experience.
